TIFA, To Inspire. For All 打造不可或缺的啟發之所

在世界因疫情改變的今日,兩廳院於變動中竭力思索劇場存在的意義,以第十三屆 TIFA 台灣國際藝術節作出回應,期待創造一個人人對話、相互啟發的場域。

在疫情下,臺灣藝術家以充沛的創作能量,叩問各種生命議題;無法來臺的國際創作者也接受兩廳院的邀請與挑戰,與我們共同規劃包括網路現場直播展演。

我們期許 TIFA 是國內外藝術家回應當 代,對未來劇場提案的創意所在,更希望透 過豐富多元的推廣活動,主題式劇場導覽與 不斷優化的共融服務,讓劇場成為你我生活 中不可或缺的心靈之所。

To Inspire. For All,這是 TIFA 的精神, 劇場存在的價值,也是兩廳院給自己的備忘 錄。

《十殿》戲劇顧問的話

戲劇顧問不發明,只發現,跟每一位觀 眾一樣。

只是這位「觀眾」面對的不是最後的作品,而是發展過程中的初稿與排練,並且, 幸運地,可以將發現的觀點回饋給劇作家與 導演,讓作品的層次可以更豐富,並在將來 可以與觀眾產生連結與共鳴。

《十殿》的出發點,仿效了波蘭導演奇士勞斯基的《十誡》,只是重新審視的對象,從舊約聖經上的戒律,換成了清代的五大奇案。《十殿》的野心,當然不會只滿足於將前人的故事予以現代化與在地化而已。構成這齣總長五個小時的戲劇,是奠基在如下的觀點上:

儘管改編自五大奇案,《十殿》並非去 勾勒一部犯罪實錄,而是著眼在人間的不幸 與苦難。充斥本劇的罪行與罪惡,其實都是 叩問苦難的手段:為什麼這些罪案會發生? 怎麼發生?道德與法律失能之後,要怎麼面 對?怎麼救贖?……這些問題從來都沒有一 勞永逸的答案,卻也從來不曾在我們的生活 裡真的消失——只有可能深沉到讓人不願面 對。

但《十殿》也努力避免掉入宿命論的邏輯中。從清代到今天,甚至在未來,罪惡與苦難的劇碼的確會不斷重複,但這並不意謂著人只能被動的為命運左右。不然,太早熟世故的陷入一種絕望,等於宣告所有人,包括作為觀眾的你,在生活中所有的努力都沒有意義,不過一場徒然。因此,對宿命論的

抗拒是《十殿》創作上的另一個面向,只是這種抗拒不是天真的給我們一個克服命運的 英雄,而是反映在對罪惡不迴避的直視,以 及對當今處境鍥而不捨的反省。因此,許多 不陌生的社會現象與議題,都交織在劇情的 經緯中:外籍勞工、詐騙集團、經濟狂飆、 私刑正義、新興宗教、無差別殺人……。《十 殿》,或戲劇這媒介,並不負責對這些議題 提出深入的分析,但卻可以讓我們看見,如何 提出深入的分析,但卻可以讓我們看見,如何 折損著良知,消磨了善良。因此,就算還是 無法擊敗宿命,直視的意志與反省的不怠, 都不會讓人活著氣餒。

然後,《十殿》不可能不問的一個問題 是:受苦又心碎的人,要怎麼得到安慰?

這個問題讓構成《十殿》的觀點,從內容延伸到形式上。因為這等於不得不問,在 凸顯了問題之後,戲劇這個媒介是否有能力 給人安慰,甚至救贖?

《十殿》在這個問題前面是謙卑的。戲 劇不能僭越宗教,一如凡人不能自比為神 明。如果對這個問題的回應夠誠實,就必須 放棄戲劇。

正是在這裡,也是基於阮劇團長年對臺灣民俗的關注,宗教祭儀在這裡有了搬上舞臺的理由:不是為了成全任何美學,儀式與宗教的出現,只是單純的想呈現何處是這些心碎與苦難的歸屬,在戲劇能力所及的邊界之外,延伸了戲劇的未竟之業。

從苦難到宗教,從戲劇到儀式,建構 《十殿》的觀點與邏輯可以被描述得很簡 單,甚至很古老。但在這些觀點所鋪陳的軌 道上,承載了太多用心的細節與創造力。它 們來自劇作家、導演、演員們與設計群,並 由製作組與行政組篤力執行。這篇戲劇顧問 報告只能提供一個非常扼要的輪廓,使觀眾 在面對這齣五個小時的龐大演出時,有所依 持,不致迷失。只是相較於我們劇場外的人 生,《十殿》也只能是個扼要的輪廓而已。 戲劇與人生,都不會給我們標準答案,但是 兩者都需要我們認真凝視。

《十殿》要開演了,就從這裡開始吧!

Prologue

TIFA, To Inspire. For All Building an Essential Sanctuary of Inspiration

Today, in a world altered by the pandemic, the NTCH tries to explore the existence value of the theatre under such a drastic change, and the 13th TIFA—Taiwan International Festival of Arts—is the medium which aims to create an inspirational sanctuary where conversations can be sparked and creativities inspired.

In this post-pandemic world, artists in Taiwan are searching for answers to various agendas in life with their exuberant creative energies. International artists who can't travel to Taiwan accept our invitations and take on the challenges to co-organize live streaming performances and exhibitions.

We are expecting TIFA to be the platform where domestic and international artists can voice their creativities which reflect current society and transform into innovative proposals towards future theatre's development. By means of hosting comprehensive and diverse promotional events, themed theatre tours and inclusive services which are constantly evaluated and improved, we are motivated to make theatre an irreplaceable haven for our minds.

To Inspire. For All—TIFA's essence, existence value of the theatre and the NTCH's note to self.

About Palaces

Every city has a building much akin to an "urban tumor": impossible for both owners to sell off and potential buyers to afford. Such a building is once the embodiment of the

most diverse array of entertainment and the purest lust for life of the youth. The upper levels of the building are cramped residential spaces owned by once hopeful investors and small families. However, the building slowly gave way to demise with every scandal and incident, albeit in prime location. *Palaces* is set in one such building. The plot is composed of ten storylines inspired by "the Five Great Taiwanese Legends of Mysterious Cases".

The story starts from the once glorious 1990s and spans three decades, tracking the stories and relations of the building's residents. A suspicious occupational accident, a failed businessman's suicide, the beginning and end of an affair, an overdue long-term care issue, and relentless knocks on the door—these are some of the snippets in Palaces: Outside In. As for Palaces: Inside Out, the audience encounter everlasting phone scam, a murder under the witness of deities, the magic of turning enemies into allies, the perplexed leader of a new religion, and the pain from revisiting past relationships.

Synopsis

Outside In

[The Construction]

It is the early 1990s, and the Golden International Building is close to completion. Phok-á and his wife Mei-ling, workers on the construction site, sneak their infant son Yoyo to work because there is no one else to take care of him at home. The site manager A-piánn discovers this, and coerces the couple for sexual favors. However, after getting his way with Mei-ling, A-piánn goes back on his words and fires the couple...

[The Mirror of Retribution]

Hsu-heng, the son of Chiu, a fortuneteller, and his wife Chia-yu, a rich businesswoman, has been kidnapped. After paying the ransom, Hsu-heng is still nowhere to be found. Chiu and Chia-yu's marriage dissolves soon after. Since then, Chiu has completely let himself go and lives in squalor. The self-sabotage takes a turn when he finds a mysterious telephone set...

[The Bed of Fire]

Yi-hui, who works at the bowling center inside the Golden International Building, finds herself in a love triangle with the owner's son Tsung-han and her colleague A-tsiong. In 1999, the Building is deemed a public safety hazard in the wake of the Jiji Earthquake, leading to a halt in all commercial activities. Unable to pay off his loans, the owner commits suicide. Yi-hui, Tsung-han, and A-tsiong's conflicts also take a tragic turn...

[The Echo]

Chung-ming, the district police officer, runs a clandestine underage prostitution operation in the residential units of the Golden International Building. Pao-hui forces her daughter A-tang into the business, with her son A-siū acting as A-tang's personal driver and bodyguard. Chun-chun, A-siū's wife, is a hairdresser. Their short-lived, happy marriage ends after A-siū dies from a drug overdose. Chung-ming starts plotting ways to prevent Chun-chun from revealing the source of the drugs...

The Rain of Needles

Li-yue spends all her time thinking about how to turn her life around. She cannot bear to selfishly abandon her family like her husband Wen-cheng did, so she decides to render her demented father-in-law, her demanding mother-in-law, and her socially withdrawn son Chien-chih unconscious before murdering them and committing suicide herself. The rain from the Typhoon Morakot starts leaking into the room...

Inside Out [The Collapse]

Since the completion of the Golden International Building, Yoyo has come of age without his mother Mei-ling, who apparently died from an "industrial accident". Under his father Phok-á's instructions, Yoyo becomes a master manipulator and a fraudster. Chiayu soon becomes his target. Yoyo attempts to get close to her by exploiting her pain of having lost her son, and gaslighting her into believing that he empathizes with her, as he is motherless himself. Chia-yu's ex-husband Chiu, however, sees through Yoyo's ruse...

[The Bell]

A-tsiong struggles to hold a job after completing his sentence in prison, but he has no complaints because Yi-hui is now his wife. He finally finds a job as a butcher, and moves into Golden International with his wife. Their relationship soon sours. Yi-hui starts paying visits to their neighbor "light artist" An-jan's studio. Under An-jan's guidance, she starts remembering the past that she would much rather forget...

[Godless]

Chien-chih, an atheist, starts a killing spree in front of a Matsu temple. One dies and many are injured as a result. Still he refuses to confess the reason behind his crimes. None of the victims knew him, and

his mother Li-yue also cannot understand his action. The reason only becomes clear when the police discover the special identity of one of the victims...

[Ghosts Talking]

Chun-yang is assigned to serve as the public defender to Chien-chih, who was prosecuted for indiscriminate homicide. Chun-yang gradually reveals his dark side to Chien-chih with each subsequent visit. Meanwhile, Chung-ming, imprisoned for the murder of Chun-yang's sister Chun-chun, has just completed his sentence...

[The Reunion]

While refurbishing the movie theater, the workers discover Hsu-heng's remains. Chiu and Chia-yu finally reunite with their son. But the question remains as to who the kidnappers were, and why someone bailed out despite having received the ransom. Was this purely a coincidence? It turns out that everyone in this scene has crossed path before they are gathered once again in the Golden International Building...
